

Choose Healing!

An event for men and women to embrace healing

Friday, October 25th - 7:00 pm to 9:00 pm

Saturday, October 26th - 10:00 am to 4:00 pm

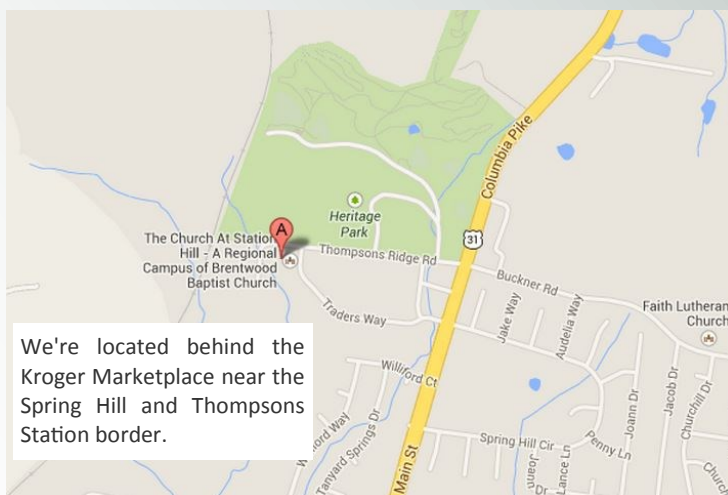

October is National Pregnancy and Infant Loss Awareness Month and you're invited to the next "Choose Healing" event – October 25th & 26th.

Choose Healing is a conference specifically designed to offer men and women a chance to continue to heal from the loss of a child due to miscarriage, still birth, abortion or other causes.

Come and join others as we affirm and encourage your decision to seek a place of comfort and healing from your loss through God's restoring touch in your life.
